

To Whom it may concern:

I have had the privilege of ministering with Rev. Baker on a couple of occasions during the past fourteen months. I have discovered Daniel to be a man who has a tremendous capacity for ministry. It is clear that he has a genuine compassion for people and desires to see them released into God's expressed purposes for their lives. His passion is that people walk in the freedom that comes from an intimate knowledge and experience with God.

Daniel has also proven to be unselfish in the use of his time. He is always willing to minister as the need arises.

Further, I have found Daniel to be a person of integrity and of exemplary character. Perhaps the strongest area of Rev. Baker's ministry would be one on one and around the altar. The Lord has given him a unique and powerful gift to clearly see spiritual issues and to deal with them in a clear, respectful and quantifiable manner. I have personally witnessed his manner and approach and am satisfied that it brings pleasure to the Lord.

Please take this as my personal endorsement of Daniel Baker's ministry. I have every confidence Daniel has the calling and anointing of God upon his life.

Sincerely,
James I. Guskjolen

The Spirit of the
Sovereign Lord is on me, because
He has anointed me to preach
good news to the poor,

He has sent me to bind up
the brokenhearted, to proclaim
freedom for the captives and
release from darkness for prisoners,

To proclaim the year of
the Lord's favor and the day of
vengeance of our God,

To comfort all who mourn,
and provide for those who grieve in
Zion,

To bestow on them a
crown of beauty instead of ashes,

The oil of gladness instead
of mourning,

A garment of praise
instead of a spirit of despair.

They will be called oaks of
righteousness, a planting of the
Lord for the display of His
splendor.

Restoration Ministries Vision and Purpose

The Apostle Paul in his epistles to the Church in Rome, Corinth and Ephesus spoke of various gifts and various ministries that the Holy Spirit would have in the body of Christ so that the body would function properly in love, unity and power (Romans 12:3-8, 1 Cor. 12:4-11, 28-30, Eph. 4:11-16).

The call, anointing, gifting(s) and purpose that the Lord has given to those ministering with Restoration Ministries are:

- To speak prophetically and apostolically into pastoral leadership and local assemblies.
- To assist pastors in identifying spiritual strongholds in their assembly, spiritual mapping, identificational repentance to help remove areas of bondage and restore freedom in the Holy Spirit.
- To pray with people in local assemblies, starting with leadership, to bring them into a higher level of personal freedom.
- To assist pastors in teaching, training and equipping leaders in their assembly to effectively minister in personal deliverance and healing.
- To provide teaching materials and regular follow up to properly establish and maintain these ministries in local churches.
- To establish regular training seminars for various levels of training in deliverance and healing ministry.

Ministry Recommendations

"I count it a privilege to know Dan Baker. He loves the Lord Jesus unreservedly. He is a man of intense prayer. Don't have Dan Baker if you aren't willing to spend considerable time in prayer. Be prepared to re-fashion your ideas concerning itinerant ministries. His ministry is a partnership with you. His desire is to come alongside you as the Pastor, and pour himself into your situation with abandonment. He will cry with you, laugh with you and rejoice with you, spending himself unreservedly. He will work with you and for you in every situation. As a Minister, he cares for the Church and encourages her pastors with an earnest and generous heart. As an Evangelist, Dan Baker is a pastors friend. He graciously takes direction and carefully ministers alongside the local pastor. Our people have responded very favorably to his ministry. In fact, Dan is one of our favorite guests at Anchorage First Assembly of God."

"It is my pleasure to introduce to you the ministry of Dan Baker. You will not find his ministry operating within the parameters of the average evangelist. To the contrary, you will find Dan challenging the entire church in a face-to-face encounter to break free from self-imposed limitations. You will rediscover the ministry God has called you into. Dan has a unique gifting(s) from God, and he uses them to encourage congregations and pastors alike."

**Ted Boatsman
Alaska District Superintendent

"I am pleased to recommend Daniel Baker to you as a minister of the Gospel. Daniel meets with me on a regular basis and has become a confidential advisor to me. The spiritual insights he has provided have helped me immensely in decision making and providing direction for our staff and congregation. I believe Daniel has true prophetic gifts as well as the gift of the word of knowledge. He is very balanced and sensitive to the Spirit and to people as he ministers. It is my privilege to commend Daniel to you as a man who will make a difference in your life and the life of your church."

**Rick Cole, Pastor
Capital Christian Center
Sacramento, California**
